

Ignorant Ass Soulja Boy

Monday, 03 November 2008

I found this at celebuly.com and i had to post how dumb this kid is.

This is a quote from Soulja Boy himself:

I asked him, "What historical figure do you most hate?" He (Soulja Boy) was stumped. I said, "Others have said Hitler, bin Laden, the slave masters…" He (Soulja Boy) said, "Oh wait! Hold up! Shout out to the slave masters! Without them we’d still be in Africa."

My jaw, at this point, was on the ground. "We wouldn’t be here," Soulja Boy continued, having no idea how far in it he’d stepped, "to get this ice and tattoos."

Ok ok, we know he’s young and hes still immature… But damn at 17 hes almost a damn adult, too old to be talking stupid and reckless like that. Soulja Boy *sigh*
